Statement of Objectives

The Frinton Residents' Association (FRA) is a non-profit, non-political organisation representing the interests of residents living in Frinton-on-Sea. Our purpose is to safeguard the town's distinctive character while ensuring that the voices of local people are heard.

We work to:

- **Preserve and enhance Frinton's unique character**, protecting the qualities that make the town special.
- **Monitor planning and environmental matters**, keeping a close eye on developments that may affect the community.
- **Represent residents' views** to elected members and officers of relevant authorities, ensuring local perspectives are taken seriously.
- **Collaborate with public bodies** to support improvements in local services and amenities.
- **Promote community cohesion** by sharing clear, accessible information on local issues.
- **Build constructive relationships with local organisations**, including reciprocal committee representation where appropriate.
- **Raise funds through membership fees** to support the delivery of these objectives.

The FRA exists to champion Frinton and its residents, protecting what matters, engaging constructively with decision-makers and helping our community stay informed and connected.
